Delivering Sustainable Resource Management

Zero Zone, a proud partner of the EPA's GreenChill Advanced Refrigeration Partnership, is equipped to assist you in reaching your sustainability goals while protecting the environment. Our refrigeration systems and display merchandisers are designed to minimize environmental impact while lowering overall operating costs and accelerating ROI. This win-win approach is good for our customers, good for the communities they serve, and good for the planet.

OVER 60 COOL YEARS... MANY MORE IN STORE

Zero Zone products are built with today's modern retailers in mind—assembled in the USA with the highest quality and innovation. Zero Zone gives you the flexibility, style, and energy efficiency you demand, while providing you with the responsive and personalized service you deserve.

“Our personalized service is second to none. Consistently meeting customers’ needs defines us as a company that has its priorities in line.”

~ Jason S, Director of Sales Operations
