Features and Benefits:

- Patented case design holds food products at Food Code required temperatures below 41° without freezing rear product by distributing coldest air to air curtain.

- Twin thermal pane glass front and side panels provide increased product visibility, easy cleanability and reduced heat gain.

- 100% CFC-free urethane foam and steel construction for maximum energy efficiency and product durability.

- Condensate pan evaporates accumulated water and eliminates the need for a floor drain.

- T-8 bulbs are energy efficient and provide brilliant sign and product display.

Standard Features:

- White interior and exterior
- 1" Black bumpers on front and side of case
- Case wall bumpers
- White backlit sign face with black block letters
- R-404A
- Electronic Controller
- Standard commercial grade casters
- Four white solid shelves-two position
- 1-1/4" High product stops

Optional Features:

- Custom painted or vinyl laminate exterior.
- Custom painted interior and/or shelving
- Custom graphics on backlit sign face
- Additional shelving
- Custom bumper colors
- Price tag molding
