

HYBRID™ DISPLAY CASES

the responsive company™

Modular refrigeration system installs quickly and easily.

Increased packout & facings with maximum product visibility.

THE BEST OF BOTH WORLDS

Zero Zone Hybrid™ freezers and coolers combine all of the benefits of a self-contained display case with the selling power and reliability of a supermarket case. Bringing together the best of both worlds, these remote cases are configured with a remarkably easy-to-install, top-mount modular refrigeration kit.

- ✓ A 2-door Hybrid™ has the same capacity as a typical 3-door self-contained unit... in 12" less floor space!
- ✓ Base configurations available to fit most cases through doorways as low as 80" tall.
- ✓ Everything is pre-wired and labeled.
- ✓ Pre-charged refrigeration piping with quick-connect threaded couplings.
- ✓ **Electronic control** – time clock, temperature and defrost control, visual and audible temperature alarm, and network communication capability.
- ✓ **Condensate collection and removal system** – condensate pump, float switch, condensate evaporation pan with heater element, and connecting tubing.

Available for All Product Lines!

MERCHANDISER®

Zero Zone products are built with today's modern retailers in mind—
assembled in the USA with the highest quality and innovation.
Zero Zone gives you the flexibility, style, and energy efficiency you
demand, while providing you with the responsive and personalized
service you deserve.

“Zero Zone Hybrid™ Merchandisers are perfect for dollar, drug, and convenience stores. They are quality remote cases with the condensing unit on top, allowing them to operate independently—anywhere in your store. They even work beautifully in supermarkets to display seasonal or special sale items.”
